

# **RO update session**

**ccNSO ICANN 43**

**14 March 2012**

# BILINGUAL WEBSITE

The screenshot shows a web browser window displaying the LACTLD website. The address bar shows [www.lactld.org/en/](http://www.lactld.org/en/). The page features a navigation menu with the following items: [About Us](#), [Members](#), [Content](#), [Agenda](#), and [Contact](#). A language selector in the top right corner indicates the current language is English, with a link for [Versión en Español](#). The main content area has a dark blue background with a map of Latin America and the Caribbean. The title reads *Latin American and Caribbean TLD Association (LACTLD)*. Below the title, a paragraph states: "LACTLD is an organization created on the 20th August 1998. Its aim is to represent the region's interests in domain name issues, promoting Latin American and Caribbean integration, as well as becoming a platform for the cooperation and exchange of information and experiences amongst regional TLDs." The Windows taskbar at the bottom shows the system tray with the date and time: 1:36 PM, 3/14/2012.
